Terms and Conditions

2% 10th prox. – net 20th

Any invoice for which payment has not been received but the 25th of the following month will be subject to a service charge of 1.5% (18% APR).

A 25% restocking charge will be applied to all special order items plus any applicable freight charges to return the product(s) to the vendor. No returns can be made without prior approval from ARD. All returns must be accompanied by an invoice and is at the discrepancy of ARD to accept. All returns must be freight prepaid. Freight will be credited if ARD is at fault.

All credits are subject to a 15% restock fee. Stock adjustments or annual credits are subject to a 15% restock fee or a 2:1 offset order and a 2% restock fee.

Any discrepancies must be reported within 3 days of invoice to insure proper credit.

All parcel carrier orders totaling \$250.00 or more but not exceeding 25 lbs. will ship prepaid from a single location only. Any charges occurring from requested product from other locations beyond the first will be billed to the customer. Any additional charges assessed by the parcel carrier for oversized boxes, special handling requirements, etc., will be billed to the customer. Orders exceeding 25 lbs. will be billed the additional charges beyond 25 lbs. All parcel carrier shipments containing flammable material classified as ORM-D will be assessed \$2.50 per box, per parcel carrier regulations.

All orders totaling \$1050.00 or more will be F.O.B. Drums in any quantity do not contribute to meeting prepaid freight. Orders that do not meet the prepaid requirement will ship collect by a carrier of the customer's request. If a carrier is not specified by the customer, the freight will be delivered by a carrier of the shipper's discretion. If an alternative carrier other than the one chosen by ARD is required by the customer, the customer may be responsible for any additional charges. ARD retains the rights to ship on any carrier without customer notification. Backorders from an original prepaid order may be allocated from a single separate location and ship parcel carrier prepaid. Special conditions may apply where multiple products may be sourced from all locations and shipped at a later date F.O.B.

Reporting freight damage is the responsibility of the receiving party. Credits will not be issued for product damaged in transit if no freight claim has been noted on the bill of lading or a freight claim has been made by the receiving party.

ARD is an Authorized Warranty Station for Binks & DeVilbiss Spray Equipment and repair service available on most brands.

Any tool believed to be under warranty must be accompanied by proof of purchase. No tool will be replaced without prior approval from the tool manufacturer.

Prices are subject to change without notice.
